Overhammedreef, Aalst

Bickton college aangeplant in 1843, Devon (UK)

A photograph of a large, ancient tree with thick, gnarled roots and moss-covered bark. The tree is the central focus, with its roots spreading out across the grassy ground. The background shows a grassy field and some distant trees under a clear sky. The text "Houtkanten en kaphagen" is overlaid in white, sans-serif font across the middle of the image.
